AREA

HIGHLIGHTS

Airport: Sail plane lessons and scenic rides over local ski areas and mountain wilderness at the Heber City Municipal Airport. Located off Daniels Road near Highway 189.

Alpine Loop Road: Perhaps the most spectacular scenic drive. The area is along Route 92. This unusual 19 mile drive runs between Provo Canyon and American Fork Canyon, with alpine vistas, lovely stands of aspen and spruce, hiking trails, Timpanogos Cave, and Sundance Resort along its path. The road is closed to vehicles in the winter, however cross-country skiers will find the road to be an enjoyable experience. The Sundance Resort is a popular starting place.

Bridal Veil Falls: This awe-inspiring double cataract can be viewed from the Provo Canyon floor. The falls once offered a 1,700-foot aerial tram ride to the top, but the ride is currently not operating due to damage received from an avalanche. The falls are located off U.S. Highway 189 in Provo Canyon.

Cascade Springs: Located on the fringe of Wasatch Mountain State Park, this U.S. Forest Service retreat offers boardwalks and trails over and around the startlingly beautiful springs with convenient rest areas and biological and geological information designed for a self-guided tour. Accessible through Wasatch Mountain State Park or via State Road 92 near Sundance.

City Parks: Located in the center of Heber City, Midway City, Charleston Town and Wallsburg Town. The parks feature playground facilities, covered pavilions, restrooms, a softball diamond and large, grassy areas for recreation. Popular spots for locals and visitors.

Deer Creek Island Resort and State Park: Deer Creek Reservoir has more than 12.5 miles of shoreline and is a popular spot for fishing, camping, boating, water skiing and windsurfing. Boat and water ski rentals are available. The Dock of the Bay Restaurant overlooks the reservoir at the north end. The park is a fee area at improved sites. Located along U.S. Highway 189.

Fairgrounds: Hosts the Utah State High School Rodeo Finals, Wasatch County Fair and Rodeo, Heber Valley Pow Wow, horse shows, cutter racing in winter, and many other activities. Facilities include a race track, rodeo grounds, 50 open horse stalls, 50 tie stalls, 16 enclosed stalls, three ball diamonds, and a 60 foot covered pavilion. Located between 300 West and 600 West in Heber City, from 300 South to 650 South.

Heber Valley Historic Railroad: Located along 600 West in Heber City, the historic tourist railroad offers a variety of train trips across the valley and down beautiful Provo Canyon. The railroad features the newly rebuilt 1905 steam locomotive Engine 618. For ticket information call 654-5601.

Heber Valley Information/Visitor's Center: Located in the Heritage Hall building along Heber City's Main Street and 500 North. The center provides free maps, brochures, and general tourist information. Also home to the Heber Valley Chamber of Commerce. Phone 654-3666.

Jordanelle Dam and State Park: Located north of Heber City on U.S. Highway 40, Jordanelle is Utah's newest state park, and opened to visitors in June of 1995. Spectacular fishing, boating and hiking trails await visitors. Hailstone, a 200-acre tract of land located on the west shore of the reservoir, is the primary access point to the water. The Rock Cliff
